Title: **VEHICLE ARRESTER SYSTEMS**

**LETTER TO THE EXAMINER**

Dear Sir:

Applicant respectfully asks the Examiner to correct an error on the Form PTO-1449 filed November 6, 2006, wherein the document number of a Japanese patent has been erroneously identified as "-2003/\_03418". The document number should be changed to --2000/303418.

Attached is Form PTO-1449 filed November 6, 2006. Corrections are marked in red. A duplicate copy of the incorrectly cited reference that was submitted is attached. The error in identifying the number of the patent document on the Form PTO-1449 was typographical in nature and does not add new matter to the application.

The applicant respectfully asks the examiner to examine the reference and to acknowledge the correctly cited reference on a supplemental form PTO-1449. If there are any questions regarding the attached for PTO-1449 and the cited reference, the Examiner is requested to contact the undersigned as soon as possible.

Respectfully submitted,
